A total of 56 Select teams representing associations from as far away as the Ottawa Valley in the east, Georgian Bay in the north, the Niagara Peninsula in the south and Kitchener Waterloo in the west participated in Select Provincial Championships this year. 4 of the 5 divisions saw increased numbers of team's year over year. Mites went from 6 to 12 teams; Squirts from 12 to 14; Peewee from 8 to 12; and Bantam from 7 to 10. The Midgets dropped from 12 teams down to 8. All told we went from 45 to 56 teams. Thank you to the 5 associations that stepped forward and hosted each tournament. As always, you represented not only yourselves but the sport very well. Thank you to the OASA and its reps for their participation and support provided in putting on these championships each year. Below are updates on each championship tournament.

### **Mite – Richmond Hill, August 7, 2010**

Richmond Hill Minor Softball Association (RHMSA) played host to the twelve (12) team provincial select championship on a warm sunny day at the multi diamond Richmond Green Complex, one of the softball & baseball venues for the 2014 Pan American Games.

The event included some very enthusiastic 8-9 year old fast pitch ball players, representing communities from a wide cross section of Ontario – Micksburg/ Ottawa Valley to the east, Vasey – Georgian Bay to the North, Kitchener Waterloo to the west and St. Catharines to the south.

During the three game round robin portion of the day, Vasey- Georgian Bay emerged as the leader of Division A, Topham Park emerged as the leader of Division B and Stone Mills emerged as the leader of Division C. Oshawa captured the 4<sup>th</sup> wild card spot for the play-off round, over Micksburg.

For the subsequent semi final games, Stone Mills matched up with Vasey – Georgian Bay and Topham Park matched up Oshawa. Topham Park was able to defeat Oshawa comfortably to advance to the championship game. Stone Mills and Vasey played a tight, low scoring game and Vasey was narrowly able to push across 2 runs in the bottom of the 6<sup>th</sup> inning to secure a 4-3 victory over Stone Mills to advance to the championship game.

The championship game was a similarly tight battle under the lights on Diamond # 6 that ebbed and flowed with Topham Park and Vasey trading leads and ultimately concluding as a tie in regulation (7) innings at 5-5. The teams subsequently began international tie breaking format and in the 2<sup>nd</sup> overtime inning, Vasey was able to push across the winning run. Vasey secured a hard fought 6-5 victory to the delight of the exhausted Vasey - Georgian Bay players and families.

In the consolation game, Stone Mills rebounded from their tightly played semi final contest and secured the victory over Oshawa 17-2.

Following a close look at the voting by the teams through the day it was decided by the tournament conveners that there should be co-MVPs for the tournament. Pitchers Brad Hartin (#10) of Stone Mills

and Braeden Theriault (#17) of Topham Park were awarded co-MVP awards for the 2010 mite provincial select tournament.

Congratulations to the host Richmond Hill Minor Softball Association led by Sean Williamson and his enthusiastic parent team working HQ game control and barbeque through the long day, all the teams & fans that travelled to Richmond Hill, umpires (led by Doug Beeforth), OASA representatives (Mary Myers and Dave Northern) and the weather man.

Bob Kearse  
RHMSA select convenor

### **Squirt – Woodbridge, August 21, 2010**

A total of 14 teams from across the province participated in the Squirt Boys Select Provincials in Woodbridge. The four undefeated teams in the round robin faced off in the semi finals with Micksburg coming out victorious over Stouffville and Smith Falls defeating St Catharines in the other game. In the championship game Micksburg faced off against Smith Falls in a battle of the 2 undefeated teams. Both teams played great ball that had the fans on the edge of their seats all game. In the end Micksburg was crowned the 2010 champion with a 7 to 3 win.

The consolation game saw St Catharines come through with a 5 to 2 victory in a close fought contest with Stouffville.

Woodbridge once again proved to be a good host as all teams were complimentary of the organization and calibre of officiating throughout the day. Thanks to Louie Calvitto and the Woodbridge Warriors for all of their efforts to make the day run so smoothly.

Dave Northern  
OASA Select Division Convenor

### **Peewee – Kitchener Waterloo, August 20 & 21, 2010 & September 18, 2010**

12 teams travelled to Kitchener Waterloo to participate in the Peewee Select Provincial Championships. Teams came from as far away as Stittsville in the Ottawa Valley to the east, Georgian Bay from the north, Kitchener Waterloo was the farthest team from the west, and St Catharines represented the farthest team from the southern part of the province.

Weather won out at the end of the day on Saturday August 21st pushing the championship game out to September 18th in Oshawa – setting a record I'm pretty sure for the longest Select provincial tournament at 29 days!

When Georgian Bay made the trek to Oshawa for the championship game they made the most of it coming out victorious with a solid 13 – 4 win.

In the consolation final Lyn defeated the hosts from Kitchener Waterloo to take home the consolation championship.

### **Bantam – Georgian Bay, August 20 & 21, 2010**

10 teams participated in the 2010 Bantam Select Provincials hosted by Victoria Harbour Minor Ball & the Georgian Bay Minor Softball Association. Games started on the Friday evening in 2 pools and those 2 games became deciding games as to who made the finals and who played in the Consolation round. The Georgian Bay Rattlers and the Domville Aces played a squeaker of a game in their pool with Domville's only loss being against the Rattlers in a 1 run game.

In the other pool a 1 run game meant Goulding Park would move on to the consolation round over their competitor Topham Park.

In the second Pool the Lyn Lightning team went undefeated to go up against the Rattlers in the Finals.

Georgian Bay came out victorious in the championship game, defeating Lyn by a score of 13 to 8.

Domville won the consolation championship with a 9 to 2 victory over Goulding Park.

Competition was tight throughout the tournament, the opening ceremonies will be remembered by the players for a long time. It was a great sight to see some 120 young athletes march onto the field representing their individual towns with pride.

All 10 teams participated in the skills competition at noon where the fastest ball pitched was 62 MPH and the bases were run in a record 10.6 seconds.

Standing out above all else was the friendships that were created throughout the day as we saw fantastic sportsmanship and constant positive comments from all in the great day we were having.

And above all else- rain stopped at 7 a.m. in the morning and didn't return until almost 9 p.m. in the bottom of our final inning!

It will be a day not soon forgotten,

Keith Chapman

Georgian Bay Rattlers

### **Midget – Unionville, August 21, 2010**

There were 8 teams that battled for the Midget Select Provincial Championship in Unionville on Saturday, August 21<sup>st</sup>. While the weatherman threatened showers late in the day, everything was completed before the skies opened up and the rain came down late Saturday night.

In one of the 2 divisions the tiebreaker rules came into play as 3 teams ended up 2 and 1 in the round robin. Unfortunately Goodwood / Stouffville did not move on to challenge for one of the final 4 spots. The consolation final saw Georgian Bay repeat as consolation champions as they defeated Kitchener Waterloo.

In the championship game Bramalea brought home the gold as they came out on top of Oshawa by a final score of 11 to 1.

The Select program continues to provide an opportunity for house league players and teams to compete at the next level up against teams from other associations in weekend tournaments throughout the summer. The Provincial Championships in August each year are typically the high point of the year for these players and offer teams an opportunity to see some of the best ball for their age group that they'll see all year. The support of the OASA and PWSA in these Provincial Championships helps bridge the grass roots house league programs with rep programs. If you are interested in finding out more about Select ball please feel free to contact myself or check out the Ontario Select Softball Tournament Association website at [www.ossta.org](http://www.ossta.org) for tournament listings and contact information for boys, girls and coed teams.
